

First Team - Champions!

The first team's second half to the season was equally as exciting as the first and since the previous update, we have been crowned CHAMPIONS of the SRWFL Premier Division, reached the SRWFL Cup final, Isthmian midweek cup semi final and now head to the Women's National League and Tier 4.

Our league cup run started with victories over Beaconsfield and Winchester in the quarter and semi finals, before falling to defeat via penalties against AFC Portchester after a 0-0 draw. Our league campaign saw some convincing wins, including netting a staggering 19 goals in the month of February alone! Some close games versus Southampton and AFC Portchester around March meant the season went down to the wire, eventually being crowned champions at the end of April thanks to a late 2-2 draw between two of our closest rivals. A huge, well deserved congratulations and thank you to all the players and staff involved!

This season has turned out to be the most successful in the team's history - with cup semi finals and finals in various competition, promotion and also a record breaking attendance at our game played at Adams Park, with over 500 in attendance! An incredible season we can all be proud of and with preparation's already well underway for the club's first ever season in the WNL, the excitement doesn't stop there. New players, new developments and new opportunities await both on and off the pitch. We hope you'll be a part of it.

Wycombe Wanderers Women

U18's - County Cup Success!

The U18's second half of the season delivered as expected! Some huge games, huge wins and huge opportunities taken by this young and exciting squad. The U18's not only had a very successful second period of the JPL league, but also managed to reach the JPL National Cup semi final, as well as becoming County Cup finalists! The league campaign provided an exciting challenge, playing in the JPL Premier Division, coming up against teams such as Crystal Palace, London City Lionesses and AFC Wimbledon. Despite being in and amongst this calibre of teams, we managed a very respectable 5th placed finish. On top of this, the U18's made it to the JPL National Cup semi final - losing narrowly on penalties to eventual winners and arguably one of the best youth team sin the country Millwall, after a 1-1 draw in normal time. We did however reach our well deserved final, after beating Peterborough in the last game of the group stage 3-2, The U18's progressed to the Berks and Bucks County Cup final to take on MK Dons. In tough pitch conditions we were eventual runners up - however this still topped off an outstanding season for the young Chairgirls.

Season 25/26

U16's - First Season Triumph!

For a first ever season with and U16 squad competing in the JPL, this was another season to class as a huge success! Since the last update in December, this group have only lost 2 league matches between January and the end of May! In amongst many results of note, were wins during the back end of the season including an 8-6 goal fest victory vs Exeter and a very comfortable 5-1 win vs Watford. In our debut season at U16, we have managed to secure a 3rd place finish in the JPL!

To top this off, this group of young ladies also managed to reach the JPL Trophy final! With victories vs Exeter, West Ham and Worthing on route, setting up a showdown vs West Brom in the final, which was played at Corby Town FC. The game was end to end and extremely close, going into half time at 0-0. The second half saw 2 early goals for West Brom which seemed to knock the wind out of our sails, with West Brom going on to win the trophy.

Another superb achievement by an incredibly talented group of young players. The future of the club is very bright at all levels!... PRE SEASON STARTS 16th JUNE!!!
